

EH-VS ARTIST

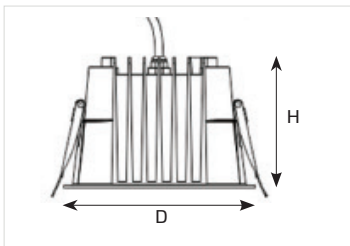

A dark-light LED recessed lighting fixture, designed according to leading international standards and requirements. ARTIST by EH-VS is designed to deliver a low glare light thanks to its deep structure and the ability of additional accessories delivering up to UGR<16 levels. The fixture's long lifespan and other protections are achieved thanks to Vossloh-Schwabe's Ripple<1% (Flicker-Free) LED driver.

Available in a wide variety of sizes and designs, and in 6W-36W power supply options.

Ideal for recessed installation in acoustic and plaster ceilings in public buildings, hospitals, banks, offices, schools, corridors and more.
