

calix

Embodying Elegance and Utility. Experience the harmonious blend of aesthetics and practicality with CALIX, an indoor bedside wall light that encapsulates the essence of its Greek namesake, "very handsome". Its adjustable reading light, equipped with 30° anti-glare optics, harmonizes with its 4.5W ambient light, while offering the convenience of a built-in USB port and a ledge to charge and place your smartphone. CALIX, a testament to captivating design and functionality.
